

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

Media diversity is essential to maintaining a well informed populace. There have been numerous done by political scientists like Lance Bennette and others. It is apparent from your current published documents that you are on dire need of REAL scientific studies on the impacts of removing media diversity.
